INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. 1.56, the attention of the Patent and Trademark Office is hereby directed to the reference(s) listed on the attached PTO/SB/08a. One copy of the foreign references and other documents is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the reference(s) be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

It is respectfully requested that the Examiner review each patent application listed below and its associated prosecution history (e.g., Office Actions, Responses to Office Actions, Interview Summaries, Notice of Allowances, and so forth) as part of evaluating this patent application. The prosecution history for each of the patent applications listed

below is available to the Examiner on the PTO's image file wrapper system. Since these materials are already readily available to the Examiner, a hard copy has not been provided. However, at the Examiner's request, Applicants would be happy to provide a hard copy of each patent application listed below and its associated prosecution history (or one or more individual documents from the prosecution histories). It is believed that this is an efficient and effective way to allow the Examiner to consider the applicability of the patent applications listed below as well as their prosecution histories to the present application.

The enclosed Form PTO/SB/08 includes a reference to this information. It is requested that the Examiner initial the enclosed Form PTO/SB/08 next to this reference to indicate that the Examiner has considered this information as part of evaluating this patent application. By initialing the enclosed Form PTO/SB/08 in this manner, the Examiner expressly acknowledges that the Examiner has considered each patent and patent application listed below, as well as all of the documents included in the prosecution history of each patent application listed below, as part of examining the present patent application.
